19

(e) How do you assure animals have access to water at all times in holding pens?

20

(e) How do you assure animals that are held on a transport truck waiting to be offloaded have access to water?

21

(e) How do you assure animals have appropriate feed if held greater than 24 hours?

22

(e) How do you assure animals held overnight have sufficient room to lie down?
